## Paris Action Climat Contact

 Frédéric Pinglot

“ Chez Schneider Electric, le développement durable est au cœur de chacune de nos actions. Nous prenons l'engagement de le faire valoir à travers nos technologies, notre chaîne de valeur, notre modèle économique et notre culture. Le changement climatique ne peut être surmonté que par l'innovation et la collaboration. Schneider Electric continuera à ouvrir la voie avec des produits et des services contribuant à l'atteinte des 17 Objectifs de Développement Durable de l'ONU. ”
